1) Payment per % fat and % protein above or below 4.2% and 3.4% respectively. France and US true protein and not in crude protein as in most European countries.

2) These premiums and deductions are included in the milk price, but it is not a complete list. There may also be other premiums and deductions included.

3) Weighted average based on the basis of national monthly deliveries exclusive of most recent supplementary payment.

4) The most recent supplementary payment is stated to give an indication of a possible supplement to the monthly milk prices after the calendar year.

5) Arithmetic average.
