

EDF PreTour EuroTier 2024

Discover Top Dairy Farms & Industry Insights in Germany

Date: November 9th - 11th, 2024

Location: Stade & Rothenburg Regions, Germany

Join us for a unique pre-EuroTier experience where you'll explore cutting-edge practices on leading dairy farms, engage with industry experts, and network with fellow European Dairy Farmers.

Key Highlights:

- Visit innovative dairy farms with automation, efficient work organization, and impressive herd health.
- Gain insights into successful cooperative models and regional collaboration.
- Network with local dairy farmers and consultants during a fun Boßel tour and networking meals.
- Attend the Cattle & Pig Event at EuroTier
